**Response to Notice To File Corrected Application Papers &
Amendment**

Commissioner for Patents
Dear Sir or Madam:

I. Summary

Responsive to the "Notice to File Corrected Application Papers", enclosed herewith please find the following:

1. Petition under 37 C.F.R. § 1.136(a) for a one month extension of time
2. Revised Fig. 1, Revised Fig. 2 & Revised Fig. 3
3. Petition under 37 C.F.R. § 1.84(a)(2) or 1.84 (b)(2) with attached 3 color copies of Fig. 3 and one photocopy of Fig. 3.
4. Amendment to the Specification as set forth below.
5. Copy of the "Notice to File Corrected Application Papers"

In accordance with the "Notice to File Corrected Application Papers" Figures 1-3 have been revised such that all reference to "Figure" is now "Fig." Additionally, all roman numerals (e.g. I, II, III etc.) have been replaced with English Alphabet (e.g. A, B, C etc.) Additionally, an amendment to the specification is set forth below such that the description of the drawings corresponds with the corrected numbering of the figures.

In addition to the corrections requested by The Office, it was observed that Figure 3 was originally submitted as a color drawing. Because no Petition under 37 C.F.R. § 1.84(a)(2) or 1.84 (b)(2) was previously submitted, Applicants take this opportunity to submit said Petition. Accompanying said petition is 3 color copies of Fig. 3 (as revised) and a photocopy of Fig. 3 (as revised). A suitable amendment as required by 37 C.F.R. § 1.84(a)(2)(iv) is set forth below. Authorization to charge the appropriate fee under 37 C.F.R. § 1.17(h) can be found in said petition. Accordingly it is believed that all requirements for granting of Applicant's petition have been established.
